

THE TORII SHELVES

DESCRIPTION

The torii shelves in oak | worn ebony

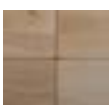

A set of freestanding architectural shelves by Japanese Torii gates and 18th century English tea trays.

Made to measure to ensure your torii shelves is the perfect size, with the ideal number of tiers. The refined design scales beautifully and works well in any number of spaces, both modern and traditional.

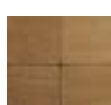

Hand-turned columns, solid splated shelves and solid brass feet give the piece a strong architectural aesthetic and an enduring construction.
